

**KNOW**

**SEE**

**RESPOND**

## I PLEDGE:

- To use my voice to let other adults know protection is our responsibility
- To be a trusted adult to children
- To know the facts about child sexual abuse
- To be an active bystander if I see someone crossing boundaries
- To respond responsibly if a child discloses abuse or if I discover abuse
- To insist that organizations in my community have protection policies
- To help change our culture to be one that protects children and puts them first

I **PLEDGE TO**  
**PROTECT CHILDREN**  
**FROM SEXUAL ABUSE.**
